Dear Students,

Khalsa College Amritsar is a leading educational institution in North India. Established in 1982, it is celebrating 32 years of academic excellence. It has its own magnificent history. The alumni of Khalsa College have gained much and fame all over the world for themselves as well as for their alma mater. Khalsa College is the epitome of academics, sports and cultural activities. Its building has gained the status of heritage building. This majestic building which looks like a fort and a palace represents the freedom of mind, innumerable values and builds scientific temperament. That’s why the students of this college have a unique and distinguished personality.

The College was re-accredited with ‘A’ grade by NAAC (National Assessment & Accreditation Council) in National Assessment & Accreditation Council in 2015-16. Hence, it has the freedom to choose and start new courses, manage its syllabus and examine as per the directions of UGC and the affiliated University. The degree is awarded by Guru Nanak Dev University. Besides, this being autonomous is vital being responsible for quality education. This is the only college of Guru Nanak Dev University, Amritsar, which performs all such academic exercises. Indeed, this is only the college to introduce internal assessment in all courses. There are around 60 ongoing Undergraduate, Post-Graduate and Research Degree Programmes. This co-educational institution has 55% girls students.

While this institution provides education relevant for the present competitive world, it also devotes devotion towards one’s religion, history, language, culture and traditions. This helps in developing the overall personality of students. The students are provided every facility and their problems are immediately dealt with. I firmly believe that this college will equip complete knowledge of college rules and regulations from the prospectus and will contribute in maintaining the discipline and status of this college.

Presently, we are fighting against COVID-19, a severe pandemic which has paralysed the functioning of the entire world. The lockdown also affected the education system hitting the teaching in the current academic scenario. Yet, Khalsa college took the challenge and the syllabus was conducted through online classes for the forthcoming semester of the session 2020-21 also, the college is fully equipped with the facility of conducting 100% syllabus through e-lectures and online modes of teaching.

Congratulations to the students for the session 2020-21 and best wishes for their bright future!

(Dr. Mehal Singh) Principal

COLLEGE CAMPUS

Khalasa College claims pre-eminence not only for its glorious past, but also because of its visionary outlook towards the future. It finds inspiration in the lofty ideals of the Great Gurus who have always advocated a progressive attitude of mind, giving up all that is dogmatic, according due value to intelligence and logic. The college is visualized as a place of learning that would strive towards higher degree of excellence in development of the mind and spirit. Khalasa College prides itself in associating with and nurturing highly intelligent, inspired and hardworking personalities. Progress is our watchword and academic achievement our measure of success. The eminence of its teaching faculty and fascination of its well-stocked library, high-tech laboratories, extensive playing-fields and recently renovated hostels are its main attractions. A sense of grandeur and beauty pervades the campus. The college has been conferred with the status of Autonomous in August 2013, "College with Potential for Excellence" and ‘Star Status’ in recent times.

Khalasa College is a composite institution with six wings consisting of the faculties of Agriculture, Commerce & Business Administration, Computer Science, Humanities and Social Sciences, Natural Science and Physiotherapy.

Spacious in dimension, the main college building is a masterpiece of architecture—a blend of Mughal, Rajput and Sikh Styles. The college campus covers an area of over 330 acres and provides latest amenities of Higher Education. It is flanked by Chemistry, Computer and Physics blocks on western side and Library, Sikh History, Postgraduate, Biotechnology and Canteen blocks in the eastern side. Sikh History & Research Department, that came into being in 1930 contains a reference library and a gallery of thousands of manuscripts, rare books, portraits and paintings of great historical significance and value.

The College is partly residential with five hostels namely Nabha, Faridkot, Hargobind, Jind & New Jind (for boys) and five hostels for girls providing accommodation to 1250 students. The campus also has within its premises a Gurudwara, Gymnium, Nursery, Fruit Farm, Cricket Stadium, sprawling Playgrounds (Including Athletic Track, Basket Ball, Volley Ball, Football, Hockey and Cricket Grounds) Swimming Pool, Fully Computerised Library, Career Guidance Cell, Placement Cell and Student Activity Centre. Infrastructural development in the college is a regular feature. New Buildings of Administration Block, Agriculture, Commerce, Economics, Fashion Designing and Fine Arts Departments, Girls Hostel, Student Cafeteria have been constructed. Newly constructed washrooms for girl students and provision for R.O. filter drinking water in the college and hostels are other highlights.
Divinity

The devout religious minded founders of the College attached highest importance to the study of religion and the cultivation of moral values among the youth. The College imparts regular religious guidelines, but there is no compulsion of any kind for non-Sikh students. Prayers are held in the College Gurdwara in the morning and evening and resident members and students are motivated to attend the prayers. The Sikh students are also expected to partake 'Amrit' and participate in the celebrations of the Gurdwara and other religious functions.

The new session always begins with 'Ardas Divas' to seek blessings of the Almighty. Examinations in Divinity are held periodically and scholarships and prizes are awarded to the best students. It is mandatory for Sikh students to wear turban. They are restrained from wearing polkas and caps in the College Campus. 'Nagar Kirtan' on the eve of Guru Nanak's birthday is a salient feature of the College since 1915. All the students and staff members participate enthusiastically. 'Dastar Competition' is held in the last week of August every year to motivate the Sikh students. With the initiative of the management, the College celebrates 'Asar Pamba' of all the Ten Gurus. All faculty members and students participate in these celebrations.

All the meetings, Conference, Workshops of the Management & college commerce with the recitation of Mool Mantra.

Our Mission

Established with a specific purpose to rejuvenate Sikh Culture and Language and open up new vistas of scientific and technological education, Khalsa College has justified the faith and trust of its founding fathers by synchronizing tradition with modernity. The mission of the institute is:

- To provide opportunities for educational, vocational, professional, social, linguistic and cultural development to the people of all abilities and backgrounds so that they can discover their potential and fulfill their aspirations.
- To promote morality and sobriety of life; to promulgate and to preach teachings of Ten Gurus as contained in Sri Guru Granth Sahib; to imbibe students of the Sikh faith with idealism and moral disciplines taught by the Gurus and fit them for a way of life that will bring credit to the community and the country; to develop the faculty of meditation and of religious education and to produce worthy citizens of India.
- To develop multidimensional personality of the student by providing an opportunity to participate in religious, cultural, co-curricular, theatrical, literary and sports activities.
- To value originality and vision, encourage initiative and promote creativity.
- To install a sense of pride and achievement of personal accomplishment.

College Library

A fully computerised library with bar code system provides excellent facilities to the scholars. The total number of books in the library exceeds 1,99,594. It has the distinction of housing one of the finest collections of books. College Library has got associate membership of 'INTLINET' which facilitates staff and students to have an access to Periodicals & Books on internet. The library remains open on all working days from 8.00 am to 5.00 pm. There is a separate Research and Reference Section, Periodicals and Magazine Section and General Reading Section. It subscribes to 87 Journals, 32 Magazines and 17 daily newspapers. Besides this, it has procured 5276 back volumes of the subject journals for Post Graduate and Research students. The library collection is well classified, catalogued and kept on OPEN SHELVES in a systematic way. There is also a vocational guidance centre as an allied branch of the Central Library and sectional libraries for the departments of Agriculture, Biotechnology, Botany, Chemistry, Commerce, Computer Science, English, Physics, Physiotherapy, Political Science and Zoology under the charge of Professors concerned.

Library conducts an Information, Literacy, User Education/Orientation Program for the new students in the beginning of the academic Session. Through this programme, efforts are made to familiarize every new member with resources, services, facilities, policies etc. offered by the library. Besides this, these awareness programmes are also conducted when requested by users from time to time.

Students are issued books for a period of 15 days and may be re-issued at the discretion of the librarian for another fortnight but not exceeding a month in any case. A fine of Re.1 per day per volume is charged for each book kept beyond the specified date. Book lost, destroyed or disfigured by any user has to be replaced by the borrower or the user has to pay double the price to the satisfaction of the librarian. Reference books, text or current periodicals are not issued except with the permission from the Principal. The librarian may recall if necessary any book even before the expiry of the period. If the date of returning the book falls on Sunday or a holiday, the same can be deposited on the next working day. All the Post Graduate Departments have Departmental Libraries.

National Service Scheme (NSS)

Khalsa College Amritsar is running four NSS units of 100 volunteers each, which are being co-ordinated by Dr. Jasraj Kaur Randhawa (NSS Incharge), Dr. Zorawar Singh, Dr. Sandeep Singh and Dr. Poonam Bharti (Programme Officers). Students always get a number of opportunities to participate in a number of programmes being organised by NSS units from time to time including tree plantation drives, health check-up camps, literacy drives, agricultural development, cleanliness drives and voting campaign drives. NSS units always aim at inculcating a sense of social welfare among students and sensitize them towards nation building.

More than 300 students took oath for social welfare and celebrated Sindhudasan on 26-08-2019. Students were motivated for maintaining communal harmony and social welbeing. Students of NSS celebrated “The Peace Day” on 21-09-2019 in which volunteers picked up and cleaned whole of the college campus for any plastic waste. A tree plantation drive was organized on in which more than 100 trees were planted in the campus and nearby areas. NSS units celebrated Dussehra by taking ceremony to mark the Dusshera Day of Shree Lakhbir Singh as “Youth Empowerment Day” in which more than 200 students took pledge against drugs. On 22-02-2020 one day awareness was organized by NSS units among students regarding use of Betel nut and beedis/coltis.

Dr. S.S. Narval was the keynote speaker on this occasion. He emphasized on the need of Betel nut usage as an alternative to the contemporary chemicals being used. NSS units organized Disha program for the students on 30-04-2019 & 12-08-2019 S. Kulwant Singh Bdal led the first of the programme on this occasion. On the same line, one day medical camp was organized in collaboration with Concret Care Charitable Society, Jalandhar which include a free dispensary and medicines. In this camp, pre diagnostic tests for brain, liver, renal, prostate and blood cancer were performed free of cost. More than 2000 general patients from outside the college participated in this medical camp.

### Internal Quality Assurance Cell (IQAC)

The quest for improvisation in academics has always prompted us to involve eminent scholars in uplifting the academic standards so that we continue to be the trend setters in the region. The Internal Quality Assurance (IQAC) of Khalsa College, Amritsar has been established as a post-accreditation quality sustenance measure. The IQAC works towards realizing the goals of quality enhancement and sustenance. The prime task of the IQAC is to develop a system for conscious, consistent and catalytic improvement in the performance of institutions. The IQAC endeavours to channel the efforts and measures towards academic excellence. Apart from the development and application of quality benchmarks/parameters for the various academic and administrative activities, of the education it also takes feedback from students, parents and other stakeholders on quality-related institutional process. The cell also encourages participation in the creation of learner-centric environment conducive for quality education. It acts as a model unit of the college for augmenting quality related activities. The IQAC conducts Faculty Development Programmes in which eminent resource persons are invited to address the faculty on various burning issues. The cell prepares focused Annual Quality Assurance Report (AQAR) to be submitted to NAAC based on the quality parameters. The IQAC meets often to discuss and review the quality parameters being adopted by the College. The IQAC comprises eminent personalities from all walks of life in addition to the representatives of teachers and students. The IQAC works under the supervision of Dr. Naminder Singh, the Coordinator of the cell.

### Career Guidance Cell

The career of the students is one of the main objectives of the college education. It is the endeavour of Khalsa college to provide the best education for our students through out their stay in the college. The college is successfully running a career guidance cell which has been persistently working for the betterment of the students. Rights from the start of the session, orientation programmes are organized for the new comers to familiarize them with the working of the college and to instill confidence in them. Workshops, seminars, guest lectures are organized through out the year for the benefit of the students. Important career guidance companies like TIME, CAREER LAUNCHER, INSPIRA, IBF are contracted to send their best resource persons to motivate the students for better prospects in their respective fields. All the faculties of the college are covered by organizing lectures in their respective departments. Prof. Saurav Singh is the Director of the Cell.

### UGC Centre For Coaching

The UGC Centre for Coaching in Competitive Exams is another endeavour of the college to make the students well equipped with the competitive world. One month course for General Knowledge and Mental Ability, three month courses for IAS, PCS. Banking coaching is also provided on regular basis. IELTS coaching is also provided for the students of the college. The centre prepares the students of the college and the region to face the tough challenge of competitions. Throughout the year, the centre invites applications from the students for training of competitive exams like IAS/PCS, Bank PO, SSB etc. The centre uses its resources to the maximum to provide the best resource persons and books and other material for the students. The afternoon classes are held around the year for all the students and outsiders so that they can utilize their time efficiently and effectively. Resource persons are from the college, university and from other institution to provide the best guidance for the students.

Our endeavor has been successful and many of our students have proved their mettle in various competitions. Amr uptul Singh cleared IAS (Prelims) 2016. Other students who have benefitted from this centre are : Jaipreet Singh (Bank PO), Uttampreet Singh(DT), Gurjant Singh (CDs Sargent (A.O), Robin Singh (Airforce) etc. The centre is run under Career Guidance Cell, headed by Prof. Saurav Singh.

Postgraduate Department of Biotechnology

The department is affiliated to Guru Nanak Dev University, Amritsar since 2002 and the University provides degrees for postgraduate and undergraduate courses. The new Biotechnology block with state-of-art equipments and instrumentation was inaugurated in 2006. The department has independent and fully functional Plant Tissue Culture, Biochemistry, Immunology, Microbiology, Animal Tissue Culture laboratories. The department has its own library with latest Indian and foreign authors books. The laboratories are hosting world class and latest scientific instruments required for practical training in all fields of Biotechnology.

- BTI211: Zoology-II
- BTI222: Biochemistry
- BTI233: Biotechnology
- BTI244: Microbiology
- BTI255: Immunology
- BTI266: Genetics
- BTI277: Agronomic and Industrial Applications of Microbes
- BTI288: Environmental Studies-III

M.Sc. (Biotechnology) Admission on Merit basis
Eligibility: Pass with 50% aggregate marks in Bachelors Degree (Medical and Allied Medical Sciences/ BioSciences) or equivalent or relevant higher qualification.

Semester I
- MBT101: Introduction to Biostatistics and Bioinformatics
- MBT102: Cell Biology
- MBT103: Microbiology
- MBT104: Biochemistry
- MBT105: General Microbiology

Semester II
- MBT201: Environmental Microbiology
- MBT202: Molecular Biology
- MBT203: Immunology
- MBT204: Bioinformatics
- MBT205: Biostatistics

Semester III
- MBT301: Animal Tissue Culture & Animal Biotechnology
- MBT302: Plant Tissue Culture & Plant Biotechnology
- MBT303: Environmental Biotechnology
- MBT304: Biotechnical Engineering and Technology
- MBT305: Research Project-I

Post Graduate Department of Chemistry

The Department of Chemistry is accredited as “Centre of Potential for Excellence (CPE)” as one of the star department of the College. The following funding agencies as supporting the department in their activities: (v) University Grants Commission-Centre of Potential for Excellence (UGC-CPE); The UGC has its first three consecutive phase selected the Department/College for the potential for the excellence status (CPE Status). (b) Funds for infrastructure of Science and Technology (FIST). The department of Science and technology funds the Department of Chemistry for improving the infrastructure for strengthening the basics.

Faculty

3. Dr. Pardeep Singh, Ph.D
4. Dr. Hardeep Kaur

Courses offered
PG. Department of Chemistry is involved in teaching chemistry as a subject in the following UG and PG classes:
1. B. Sc. (Medical)
2. B. Sc. (Non-Medical)
3. B. Sc. (Biotechnology)
4. B. Sc. (Veterinary)
5. B. Sc. (Honors. Physics)
6. B. Sc. (Honors. Math)

Department also run the following field specialized courses:

B. Sc. Hons. Chemistry
Basic qualification: 10+2 (Medical or Non-Medical) with 50% marks

Semester I
CHEM 101: Physical Chemistry I
CHEM 102: Inorganic Chemistry I
CHEM 103: Organic Chemistry I
CHEM 104: Physics I (Optics)
CHEM 105: Mathematics I
CHEM 106: English Language

MCH 404: Spectroscopy IV
MCH 405: Inorganic Chemistry Lab IV
MCH 406: Organic Chemistry Lab IV

At the present and future time, the curriculum has been updated and the latest developments in the field of Chemistry have been included. The Department is well-equipped with modern laboratory equipment and is well connected with the latest research laboratories. The students are given practical training and are encouraged to participate in research projects. The Department is striving to provide a high-quality education and research environment that prepares students for a successful career in the field of Chemistry.
PG Department of Commerce & Business Administration was established in June, 1968, at Khalsa College, Amritsar. Its aim is to provide education in the field of commerce and business administration to the needs of the industry, training and consumerism. The Department has produced many students who have secured their professional and executive positions in the fields of management, corporate law, and other related disciplines. The department has organized National level seminars, workshops, and guest lectures on contemporary issues in order to expose the students to the latest developments. The seminars are encouraged to take up the responsibilities of organizing the events so as to enhance their administrative and management skills and capacities. The department is placed in different reputed companies like ICICI Prudential, Reliance Life Insurance Limited, HDFC, Amazon India, and others. The department has organized National level seminars, workshops, and guest lectures on contemporary issues in order to expose the students to the latest developments.

Postgraduate Department of Computer Science & Applications

The department of the Computer Science was established in early 1999 with the commencement of the class B Sc. Computer Science, PG. Department of Computer Science & Applications has set high academic standards and excelled in thought leadership by providing a pool of creative genius endowed with technical competence. It has promoted the evolving IT industry and trained with professionally-managed & well-equipped labs and committed staff. The department has a learning environment that encourages innovation, creativity, and excellence. It provides a visible platform for education, research, and training. Computer Science Department mentors and faculty to groom the students by sending the final-year students in IT industry for so that they can cope up with the emerging trends.

Courses
- Bachelor of Computer Applications (BCA)
- B.Sc. (Computer Science)
- M.Sc. (Computer Science)

Bachelor of Computer Applications (BCA)
Eligibility: +2 with atleast 40% marks in aggregate or equivalent examination.

M.Sc. (Computer Science)
Eligibility: Graduate with Computer Science/IT/Computer Applications/Computer Maintenance as one of the elective subjects with 50% marks in aggregate OR BCA/B.Sc. (IT) BT or equivalent then with atleast 50% marks in aggregate. OR Graduate with mathematics as an elective subject and Post-Graduate Diploma in Computer Applications/PG Diploma in Information Technology/PG Diploma in E-Commerce & Internet Applications or equivalent with 50% marks in the aggregate.

B.Sc. (Information Technology)
Eligibility: +2 with atleast 40% marks in aggregate or equivalent examination.

M.Sc. (Information Technology)
Graduate with Computer Science/IT/Computer Applications/Computer Maintenance as one of the elective subjects with 50% marks in aggregate. OR BCA/B.Sc. (IT) BT or equivalent then with atleast 50% marks in aggregate. OR Graduate with mathematics as an elective subject and Post-Graduate Diploma in Computer Applications/PG Diploma in Information Technology/PG Diploma in E-Commerce & Internet Applications or equivalent with 50% marks in the aggregate.
Post Graduate Department of Economics

The Department of Economics of this prestigious institution was established in 1932, 86 years ago. Dr. Karam Singh was the first Head of the Department of Economics.

Faculty

1. Mrs. Jagwinder Kaur Ghuman, Head (Prof. 94644 46752)
2. Dr. Arvinder Singh

Macroeconomics-I
Macroeconomics-II
Macroeconomics-III

Microeconomics-I
Microeconomics-II

Economics of Agriculture

M.A. Economics

Eligibility: 1. A person who passed Bachelor degree in any stream with 50% marks in aggregate.
2. A person who passed graduation (with economics as a subject) with 45% marks in Economics.
3. A person who passed B.Com with 45% marks in the subject of Economics or B.Sc. (Home) (Science) in Economics.

Semester I

MAC-101 Microeconomics-I
MAC-102 Macroeconomics-I
MAC-103 Quantitative Methods for Economics-I

Semester II

MAC-201 Microeconomics-II
MAC-202 Macroeconomics-II
MAC-203 Quantitative Methods for Economics-II

MAC-301 Economics of Development
MAC-302 International Economics-I
MAC-303 Indian Economy

Any two of the options under MAC-301-MAC-303 not already opted for in Semester I and II.

Semester III

MAC-401 Economics of Planning
MAC-402 International Economics-II
MAC-403 Indian Economy

Any two of the options under MAC-401-MAC-403 not already opted for in Semester I and II.
Post Graduate Department of English

The PG Department of English is one of the oldest departments of Khalsa College, Amritsar. The Department initially had undergraduate courses. It was during the tenure of Dr. M.C. Cheeh that the Master Degree programme started. The Department offers B.A. (Hons.), M.A. and M.Phil Degree Programme.
