Group-B (Roll Number 17101151-17101295)

Due to Covid-19 pandemic, advisory issued by ICAR to Agricultural Universities for conduct of students Ready Programmes requires that AIA-413 & 414 be carried out in such a way that students choose rural agro based small and cottage industries without any crowding near the place of their residence.

Students coming from villages may select rural industry in the same village or adjoining village (Shellers, Kohlus, Mushroom units, Atta Chakkis Pesticides/inisecticide stores, ice factories, jaggary and khansari, orchards, NGOs, SHGs, cotton, processing, turmeric processing or any small units. Cooperative Societies may also be studied.)

Students in Towns/Cities may go in for flower and seed nurseries, timber units, bakeries, dairy farms honey units, farm equipment industries, piggeries, fishery, small food processing units or any small units which uses its raw material from Agriculture. The chosen unit should not be crowded and be nearest to the place of residence.

Students are hereby informed to send the small scale/college agro-industry nearby their place of residence which is not crowded along with the undertaking by the parents to mail at agriculturekca@gmail.com and also to the teacher allotted as per the roll numbers given below. The feasibility of the selected industries keeping in view Covid-19 will be studied and approved by the respective teacher for final allotment to the student.
