

**KHALSA COLLEGE, AMRITSAR
FACULTY OF AGRICULTURE**

Ref. no. 1056/1821
Date 23/2/2021

NOTICE

(For B.Sc. (Hons.) Agriculture Sem-VIII)

In view of Covid-19 pandemic, strict measures imposed by the Government have to be followed in letter and spirit. An advisory issued by ICAR to Agricultural Universities during pandemic for conduct of Students Ready Programme suggest that RAWE-411 (Village Attachment Programme) be carried out in the following ways:

1. Student residing in village may select his/her own village for the study.
2. Students residing in town/cities may select a village nearest to their area of residence/select a friend/relative village for the study.

Students are hereby informed to send the name of the villages selected for RAWE-411 at agriculturekca@gmail.com along with an undertaking signed by the parents. Selected village should not be crowded. Student will not go in narrow lanes and follow all Covid-19 precautions issued by the Govt.

Students will study the following interventions in their respective villages. For each intervention concerned specialized teachers have been assigned the duty so as to guide students and ensure comprehensive study of the area. The students will record their daily field study in notebooks and weekly diaries to be maintained by them to prepare the final report based on these observations.

The following teachers have been assigned each intervention. They will familiarize the students about the schedule of the intervention and methodology to be adopted for comprehensive and analytical study of the village. The problems encountered by the students in villages on daily basis will be addressed by the teachers online.
