

Press Note

The NCC naval wing of Khalsa College Amritsar has completed the naval wing enrolment for the current session on 16-09-2021 in the College main ground. The enrolment procedure was conducted by PI staff of the NCC Naval Wing Unit Amritsar along with the senior cadets of the college. About 100 short listed students participated in the final enrolment selection. The students of first year from various streams of the graduate classes participated in the selection process.

The ANO, Dr. Iqbal Singh (Associate Professor Physics) address the students of the various departments to show a keen interest in joining the armed forces. The PI staff scrutinized the students and also told them about the benefits of the NCC for themselves as well as for the society. They informed the students about the various activities conducted by NCC unit during the pandemic time and also congratulated the cadets of Khalsa College Amritsar for actively participating in all activities.

Dr. Mehal Singh, Principal, Khalsa College Amritsar, congratulated the selected students those who join the first year of NCC naval wing of the college. He encouraged the students to participate in such activities which make their exposure to lead the societal developments. The senior cadets were honoured with ranks for activities they participated in last academic year.

The students thoroughly enjoyed the selection process and appreciated the efforts put in by ANO and PI staff. Also they appreciated the initiative taken by the Principal, Dr. Mehal Singh to expose the students with the information required for the development of society.
