

## Khalsa College Received Prestigious Award from AICTE, Delhi

Khalsa College Amritsar is proud to announce that Training and Placement Cell of the college has been honored with an award of recognition from **All India Council for Technical Education (AICTE)**, Delhi for its outstanding contribution to student engagement in placements through the AICTE Career Portal. The award acknowledges the college's relentless efforts in facilitating a successful placement process and ensuring valuable career opportunities for its students. This prestigious award was presented to Dr. Harbhajan Singh Randhawa, Director of the Training and Placement Cell, in recognition of his initiatives in steering the placements to new heights.

Dr. Arvinder Kaur Kahlon, Principal, Khalsa College, Amritsar appreciated the efforts of Placement Cell and emphasized that this recognition highlights Khalsa College's commitment in creating a robust connection between academic excellence and industry requirements, enabling students to take proactive steps in securing a promising future.

Dr. Harbhajan Singh Randhawa conveyed his thanks to AICTE, Delhi for this prestigious award and said his team will encourage students to participate in upcoming placement drives. He congratulated the entire team of Training and Placement Cell especially Dr. Anureet Kaur of Computer Science department for their collective efforts in making this achievement possible. He expressed his immense gratitude to the college Principal and Management Committee for their unwavering support, which played a crucial role in securing this award.
