Dated 28-09-2021

Internal Quality Assurance Cell (IQAC) Report on Employer Feedback Analysis (2020-21)

Whenever the employers visit the college for campus interview/providing training sessions or the Job Fair, College collects feedback at random from them and they express their views objectively on the employability skills of the students appearing for the Placement/Campus Interview. Also the feedback is obtained from the employers where the student is placed apart from the campus placement. The employer feedback form consisted of questions that truly indicated the satisfaction level of the employers about the syllabus. The conclusions obtained by analyzing the employer feedback for the academic year 2020-21 are:

- All the employers (100%) are satisfied with the subject knowledge, communication skills, technical skills, attitude, punctuality, problem analysis skills, interview performance, group discussion performance and innovation & creativity of the placed students.
- All the employers (100%) are satisfied with the ability of placed students to take up extra responsibility
- 100% employers are satisfied with the presentation skills of the students.
- The curriculum is effective in developing innovative thinking in the perspective of 100% of the employers.
- 72% employers are of the opinion that the course content has enough scope for development of analytical, logical, technical and creative skills of the students.
- Curriculum is designed in accordance with the needs of the industry and market is agreed by 86% employers.
- Internships/Field Visit/Guest Lectures/Assignments/Seminars are relevant for development of various skills for employment and self-employment in the perspective of 57% employers.
- 71% employers agree that the curriculum is effective in developing entrepreneurial /leadership skills.
- 71% of the employers agree that the syllabus is relevant for employability.
