Annual Report Academic Session 2022-23

The Annual Report of Khalsa College Amritsar reflects its illustrious history and forward-looking vision, making it an institution of paramount significance. Drawing inspiration from the enlightened teachings of the Great Gurus, the college maintains a progressive mind-set that has paved the way for excellence in higher education. Since its establishment in 1892, this esteemed institution has consistently excelled as a beacon of knowledge, surpassing others in its path.

With immense pride, we present the achievements of Khalsa College Amritsar for the session 2022-2023. Throughout the year, the college has continued to uphold its legacy of academic brilliance and has achieved notable milestones in various spheres.

The College's Internal Quality Assurance Cell (IQAC) successfully organized a "**Faculty Development Programme**" from January 2nd to January 9th, 2023, with more than 150 teachers participating.

In collaboration with the Department of Chemistry at Khalsa College, Amritsar, the IQAC conducted a faculty enrichment program on "**Trends of Technology in Teaching**" on August 1st, 2022. The event featured Dr. Mandeep Singh Bakshi, an experienced Associate Professor from the University of Wisconsin, Green Bay, as the keynote speaker. Dr. Bakshi shared insights into leveraging technology for effective teaching and learning. The IQAC, in conjunction with the P.G. Department of Chemistry, also organized a hands-on workshop on "**Schrödinger software**" from August 8th to 9th, 2022. The workshop aimed to provide training in computer-aided drug design (CADD) and allowed participants to gain practical experience and guidance in using the Maestro platform for various applications in chemistry.

Skill Development Centre

The Skill Development Centre (SDC) has received recognition from the Government of India's Skill India Program. This prestigious centre has admitted over 90 students for various short and long-term courses in the current session. The aim is to help students explore their potential in specialized skills, enhancing their employability in the industry and encouraging entrepreneurship.

Under the guidance of the National Skill Development Corporation (NSDC) and the Pradhan Mantri Kaushal Vikas Yojana, the students will undergo specialized training in three primary areas: Software Engineering, Food Sales Promotion, and Self-Employed Tailors. The courses provide free training, and upon completion, the students receive a certificate valid throughout India and even abroad under the NSDC's Skill India program. NSDC officials, including Advisor Dr. Sandeep Singh Kaura, recently visited the Khalsa College campus and were impressed with the excellent infrastructure and facilities available at the SDC. The center was established in 2021 in collaboration with the US-based Khalsa Global Reach Foundation.
