7.1.7 – Initiatives taken by the institution to make the campus eco-friendly (at least five)

• Energy conservation: As the main building of the college is more than 100 years old architectural marvel, its thick walls (1824 inches) with high ceilings (20 to 24 feet) make the classrooms airy and well lit. Therefore, more energy consuming electrical gadgets like air conditioners are not required. ? CFL and LED bulbs have been installed in place of incandescent bulbs. ? The students and staff members ensure switching off all electrical fittings before leaving their classrooms or labs. • Use of renewable energy: Twenty solar lights have been installed in the campus for providing green energy and saving energy. One solar water heater has been installed in the boy's hostel and the process of installation of three more solar water heaters in the student hostels are in the pipeline. • Water harvesting: ? Eleven new rain water harvesting bores have been installed in the campus for ground water recharge. The new buildings which are constructed have rain water harvesting systems for recharging the subsoil water. ? All rain water from buildings of the college flows to lawns and grounds, thus, irrigating them and recharging sub surface water level. • Efforts for carbon neutrality: ? The college has large green cover for carbon neutrality and keeps on increasing this cover by regular plantation drives in and around the campus. ? E-governance has reduced the paper usage considerably helping in carbon neutrality. • Plantation: ? Vanmahotsava is observed every year and new trees are planted in the college campus by NSS/NCC students, teachers and management members. ? Students are sensitized through street plays (Nukad Natak) on environment conservation and are encouraged to participate in plantation drives. • Hazardous waste management: ? Separate (coloured) dustbins have been installed at different places for biodegradable and nonbiodegradable waste management. The waste is collected by municipal van every day for its proper disposal. ? Practice of dumping damaged glassware and wastes in specified locations. ? Bio medical waste is disposed by a liaison agency "Amritsar Biomedical Waste Disposal" under annual contract with them since 2011. • Ewaste management: ? A government registered company "Attero Recycling" has been engaged and 3865 kg of ewaste was disposed off in an environment friendly manner.
