To promote interactions with other institutes and to encourage exchange programmes.</p> <p>8. To further strengthen the Career guidance and placement cells.</p> <p>9. To organize Seminars/Workshops and extension lectures by eminent speakers</p>	<p>1. A centralized computer laboratory with internet connection has been established. The staff and the students have been given free access to computer and internet services.</p> <p>2. The college has taken effective measures for maximum utilization of the facilities available in the institution. Seminar hall is frequently used for conducting various seminars. The students have a free access to computers, instrument facilities in the laboratories and to the books and journals in departmental as well as the main libraries.</p> <p>3. A number of books have been added in the library, new computers have been purchased</p> <p>4. The institution has active NSS, NCC, Red ribbon club, Legal cell and Women cell. Students participated in NSS Camps and enrolled in NCC.</p> <p>5. The college has sent proposals to funding agencies such as UGC, DBT, DST etc. for the procurement of funds for various programmes.</p> <p>6. The language laboratory, which is a major requirement of the English, Punjabi, Hindi and Dramatics curriculum, has been established.</p> <p>7. The faculty and students from other institutes visited the college and interacted with the students and staff of the college.</p> <p>8. Career guidance and placement cells have been further strengthened. Many companies visited the campus during the year and a number of students got placement in these companies.</p> <p>9. The college has organized six seminars/workshops in this session. A Tech Fest was organized by the Computer department. The various departments organised extension lectures for imparting current and in-depth knowledge of the subject to the students.</p>
